

List of Methods

Abbreviation	Full length name	invasiv / non invasiv	Use in Psychiatry	
NIBS	Non invasive brain stimulation	non invasive	yes	
ECT	electroconvulsive shock treatment	non invasive	Clinical	1938
MST	Magnetic Seizure Therapy	non invasive	Scientific	2002
FEAST	Focal Electrically Administered Seizure Therapy	non invasive	Scientific	2009
rTMS	Repetitive transcranial magnetic stimulation	non invasive	Clinical	1985
tES	Transcranial electric stimulation	non invasive	Scientific	
tDCS	transcranial direct current stimulation	non invasive	Clinical	1998
tACS / tRNS	transcranial altering current / random noise stimulation	non invasive	Scientific	
TPS	transcranial pusle stimulation	non invasive	Scientific	
tACD	transcranial alternating current stimulation	non invasive	Scientific	
t(f)US	Transcranial (focused) ultrasound stimulation	non invasive	Scientific	
tVNS	transcutaneous vagal nerve stimulation	non invasive	Scientific	
VNS	vagal nerve stimulation	invasive	Rare	1985
DBS	deep brain stimulation	invasive	Rare	1952
EpCS	Epidural cortical stimulation	invasive	Extremly rare even in science	2011
